

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
1	Ch - 1 Poonam Day Out	Exploring nature and children's notion about animals	Observe the diversity of animals around them .
2	Ch - 1 Poonam Day Out	Classification of animals based on: size, movement, habitats, eating and other habits	Differentiate animals on the basis of their habitat (land, water, air; wild, domestic).
3	Ch - 1 Poonam Day Out	Classification of animals based on:movement	Identify body parts used for movement in different animal's
4	Ch - 1 Poonam Day Out	ACTIVITY - Make pictures of animals by thumb and finger points	Draw pictures of animals using various/ techniques
5	Ch - 1 Poonam Day Out	Revision / Oral Test / Class test	to Recall & revise about the learned topics
6	CH - 2 The plant Fairy	Familiarity with variety in growing in their surroundings	Identify and name common plants growing in their surroundings.
7	CH - 2 The plant Fairy	Recognition of differences in tree trunks, thickness and texture	Distinguish between trees on the basis of thickness of trunks and its texture
8	CH - 2 The plant Fairy	Awareness of variety in leaves of plants-size, shape, colour, smell, texture and margins	Recognize differences in size, shape, colour smell, texture and margin of leaves of different plants
9	CH - 2 The plant Fairy	ACTIVITY - Draw various animals using leaves	Draw and colour different leaves and take rubbing of tree trunk leaves
10	CH - 2 The plant Fairy	Revision / Oral Test / Class test	to Recall & revise about the learned topics
11	CH - 3 Water O' Water	Uses of Water & Sources of Water	Identify the importance and uses of water in our daily life & Recognize different sources of water
12	CH - 3 Water O' Water	Storage of Water	Identify the sources of water supply in their homes

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
13	CH - 3 Water O' Water	Relating shapes and size of storage containers to volume/capacity	Compare size and shape of containers to determine the quality of water
14	CH - 3 Water O' Water	ACTIVITY - Exploration into ways of conserving water	Explore ways to conserve waters in their daily living
15	CH - 3 Water O' Water	Revision / Oral Test / Class test	to Recall & revise about the learned topics
16	CH - 4 Our First School	Family & its importance	Identify different relationships in a family and nature of these relationship
17	CH - 4 Our First School	Family practice and values	Describe unique practices and rituals including cleaning during celebration and their importance Name different
18	CH - 4 Our First School	Work of different family	Relate the importance of sharing work in a family.
19	CH - 4 Our First School	Revision / Oral Test / Class test	to Recall & revise about the learned topics
20	CH - 5 Chhotu's House	Importance of house and its parts	Recognize the need and importance of a house & Identify different parts of a houses and associated uses
21	CH - 5 Chhotu's House	Invited and uninvited guest in a house	Name invited and uninvited animals living in a house (draw pictures)
22	CH - 5 Chhotu's House	Cleanliness and decoration of a house	Demonstrate proper use of toilet by observing desired practices
23	CH - 5 Chhotu's House	Cleanliness and decoration of a house	Recognize the importance of cleanliness and familiarity with ways to keep house clean
24	CH - 5 Chhotu's House	ACTIVITY - Cleanliness and decoration of a house	Suggest various ways to decorate/beautify their houses.

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
25	CH - 5 Chhotu's House	Revision / Oral Test / Class test	to Recall & revise about the learned topics
26	CH - 6 Food We Eat	Variety in food items we eat	Identify different food items eaten by people
27	CH - 6 Food We Eat	Nature of foods consumed by different age groups	Infer the reasons for different foods consumed by children, young and old people.
28	CH - 6 Food We Eat	ACTIVITY - Food habits in different parts of India and other countries like Hong Kong	State reasons for people's choice of foods they eat
29	CH - 6 Food We Eat	Revision / Oral Test / Class test	to Recall & revise about the learned topics
30	CH - 10 What Is Cooking?	Introduction to cooking utensils	List different utensils used in cooking
31	CH - 10 What Is Cooking?	Methods of Cooking	Know from elders about the utensils used in past
32	CH - 10 What Is Cooking?	Methods of Cooking	Identify food items prepared using different methods of cooking
33	CH - 10 What Is Cooking?	Fuels used in cooking	Identify the fuels used for cooking & Relate the effect of a particular fuel on environment
34	CH - 10 What Is Cooking?	ACTIVITY - Fuels used in cooking	Make and state steps in preparing foods they can make
35	CH - 10 What Is Cooking?	Revision / Oral Test / Class test	to Recall & revise about the learned topics
36	CH - 11 From Here To There	Means of transport	Enlist the different modes of transport and reasons for choosing them for travel.

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
37	CH - 11 From Here To There	Means of transport	Become familiar with safety precautions and rules to be observed during travel.
38	CH - 11 From Here To There	Uses of different vehicles	Classify vehicles on the basis of number of wheels
39	CH - 11 From Here To There	Identify vehicles on the basis of sounds key produce	Identify fuels used by different vehicles to run & Relate different uses of various vehicles
40	CH - 11 From Here To There	Identify vehicles on the basis of sounds key produce	Identify vehicles used for emergency service
41	CH - 11 From Here To There	ACTIVITY - Vehicles in present and past	Use different material like match boxes to make toy train and other means of transport.
42	CH - 11 From Here To There	Revision / Oral Test / Class test	to Recall & revise about the learned topics
43	CH - 12 Work We Do	Different occupation	Comprehend the given picture to know about the different works done by people
44	CH - 12 Work We Do	Different occupation	Enlist various occupations your parents and neighbors are engaged in
45	CH - 12 Work We Do	Importance of school for all children	<ul style="list-style-type: none"> Students identify various occupations children are involved in
46	CH - 12 Work We Do	ACTIVITY - Work in a family	Students list down different activities/chores done in the school and at home
47	CH - 12 Work We Do	Revision / Oral Test / Class test	to Recall & revise about the learned topics
48	CH - 13 Sharing Our Feeling's	Taking care of grandparents	Identify the problems and needs of old people

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
49	CH - 13 Sharing Our Feeling's	Taking care of grandparents	Describe various ways to assist and help elderly people
50	CH - 13 Sharing Our Feeling's	Special People	Observe and identify people who are physically challenged
51	CH - 13 Sharing Our Feeling's	Special People	Recognize Braille as a special way of reading and writing for people who cannot see
52	CH - 13 Sharing Our Feeling's	Special People	Develop sensitivity towards old and physically challenged people
53	CH - 13 Sharing Our Feeling's	Revision / Oral Test / Class test	to Recall & revise about the learned topics
54	CH - 14 The Story of Food	Distribution of work in a family	Identify the tasks done by various members in different families.
55	CH - 14 The Story of Food	Distribution of work in a family	Relate the roles of various member in different families and identify stereotypes
56	CH - 14 The Story of Food	Sources of food	Identify and enlist various sources of food as obtained from plant and animal
57	CH - 14 The Story of Food	Edible parts of a plant used as sources of food	Identify and state the medicinal value of common plants
58	CH - 14 The Story of Food	Edible parts of a plant used as sources of food	Recollect various home remedies used by their mother for cure of common ailments
59	CH - 14 The Story of Food	ACTIVITY - Edible parts of a plant used as sources of food	Enlist various parts of plants that are edible
60	CH - 14 The Story of Food	Revision / Oral Test / Class test	to Recall & revise about the learned topics

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
61	CH - 15 Making Pots	Pottery	Appreciate the ancient art of making pots and realize its importance.
62	CH - 15 Making Pots	Pottery	Become familiar with required materials different steps of making pots
63	CH - 15 Making Pots	Pottery	Relate the use of baking pots and bricks in a kiln.
64	CH - 15 Making Pots	Methods of making pots - Pinched and coil method	Describe the different methods of making clay pots.
65	CH - 15 Making Pots	Methods of making pots - Pinched and coil method	Make small pots using suggested procedures
66	CH - 15 Making Pots	ACTIVITY - Uses of Pots	State different uses of pots in daily life
67	CH - 15 Making Pots	Revision / Oral Test / Class test	to Recall & revise about the learned topics
68	CH - 16 Games We Play	Games played by different family members	List traditional games played by family members and their local names
69	CH - 16 Games We Play	Games played by different family members	Know the reason for less availability of time for children to play now a days
70	CH - 16 Games We Play	Games played by different family members	Identify the activities done during leisure time
71	CH - 16 Games We Play	Outdoor and indoor games	Differentiate between outdoor and indoor games
72	CH - 16 Games We Play	Outdoor and indoor games	List few outdoor and indoor games

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
73	CH - 16 Games We Play	Number of players and things used in different games	Know about number of player and things used in different games
74	CH - 16 Games We Play	ACTIVITY - Famous sports person	Identify famous sports personalities associated with various games
75	CH - 16 Games We Play	Revision / Oral Test / Class test	to Recall & revise about the learned topics
76	Ch - 17 - Here Comes a Letter	Journey of a letter	Enlist various steps involved in the journey of letter from sender to receiver
77	Ch - 17 - Here Comes a Letter	Journey of a letter	Realize the importance of a post office
78	Ch - 17 - Here Comes a Letter	Journey of a letter	Describe a post office and its working
79	Ch - 17 - Here Comes a Letter	Different types of letters	Name various other means of communication like, mobile phones, e-mail, fax etc. which are faster and
80	Ch - 17 - Here Comes a Letter	Address on a letter	Know the sequence and importance of details written on the letter as address
81	Ch - 17 - Here Comes a Letter	ACTIVITY - Other modes of communication	Name various other means of communication like, mobile phones, e-mail, fax etc. which are faster and
82	Ch - 17 - Here Comes a Letter	Revision / Oral Test / Class test	to Recall & revise about the learned topics
83	Ch - 18 A House Like This!	Kinds of houses	Become familiar with the diversity in houses
84	Ch - 18 A House Like This!	Kinds of houses	Relate the structure of houses to the climatic conditions of the place.

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
85	Ch - 18 A House Like This!	Special houses	Describe the special types of houses found in Assam, Rajasthan, Dal Lake and Rajasthan
86	Ch - 18 A House Like This!	Houses in cities	Know about the features of a multi-story building
87	Ch - 18 A House Like This!	Houses in cities	Become aware regarding the problems faced by homeless people in cities and places they live (slums)
88	Ch - 18 A House Like This!	ACTIVITY - Materials used to build houses	Enlist the materials used to build their house (Pucca house)
89	Ch - 18 A House Like This!	Revision / Oral Test / Class test	to Recall & revise about the learned topics
90	CH - 19 Our Friends - Animal	Caring for animals	Develop a concern for animals
91	CH - 19 Our Friends - Animal	Caring for animals	State the joys of keeping pets
92	CH - 19 Our Friends - Animal	Caring for animals	Comprehend our responsibilities to our pets and other domestic animals
93	CH - 19 Our Friends - Animal	Different food habits of animals	Enlist various types of food that partial animals eat
94	CH - 19 Our Friends - Animal	Different food habits of animals	Describe the types of food and ways of feeding domestic / pet animals.
95	CH - 19 Our Friends - Animal	Interdependence between animals and human beings	Analyze the relationships between humans and animals
96	CH - 19 Our Friends - Animal	Interdependence between animals and human beings	State various ways of interdependence between animals and human beings

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
97	CH - 19 Our Friends - Animal	Interdependence between animals and human beings	Compare and contrast the usefulness of having animals in the ecosystem in order to describe the importance of
98	CH - 19 Our Friends - Animal	Revision / Oral Test / Class test	to Recall & revise about the learned topics
99	CH - 20 Drop By Drop	Scarcity of water	Know about the difficulties faced by people living in some areas for getting or fetching water
100	CH - 20 Drop By Drop	Scarcity of water	Become familiar with ways of collecting/getting water and subtle gender bias in this activity.
101	CH - 20 Drop By Drop	Scarcity of water	Measure the volume of water in non- standard units such as bucket, pots, spoon, mug etc.
102	CH - 20 Drop By Drop	Scarcity of water	Estimate the quantity of water used for different domestic activities
103	CH - 20 Drop By Drop	Collection of water	Understand the concept of rain water collection in olden days in tanka (tanks) - Rain water harvesting
104	CH - 20 Drop By Drop	ACTIVITY - Ways to save water	Create a story describing a day without water in order to realize the importance of saving water
105	CH - 20 Drop By Drop	Ways to save water	Know various methods of saving water at home /school / any other place
106	CH - 20 Drop By Drop	Revision / Oral Test / Class test	to Recall & revise about the learned topics
107	Ch - 21 Families Can Be Different	Nature and types of families	Relate the importance of family and role of different family members
108	Ch - 21 Families Can Be Different	Nature and types of families	Recognize that families can be of different types

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
109	Ch - 21 Families Can Be Different	Nature and types of families	Recall about small, joint and nuclear families and identify the type of family they belong t
110	Ch - 21 Families Can Be Different	Nature and types of families	Appreciate difficulties faced in particular families and know about the ways to accommodate them/adjust
111	Ch - 21 Families Can Be Different	ACTIVITY - Characteristics of families	Highlight the important features of a family
112	Ch - 21 Families Can Be Different	Revision / Oral Test / Class test	to Recall & revise about the learned topics
113	Ch - 22 Left - Right	Use of directions - left, right, front, behind, up and down to locate places	Name the things present on left, right, front and behind of an object / place etc.
114	Ch - 22 Left - Right	Use of directions - left, right, front, behind, up and down to locate places	Read map/sketch of an area in order to locate various objects
115	Ch - 22 Left - Right	Symbols and Sign	Recognize the need for symbols and signs
116	Ch - 22 Left - Right	Symbols and Sign	List different signs/symbols and their locations in order to describe the purpose of putting the sign/symbols
117	Ch - 22 Left - Right	Symbols and Sign	Read symbols and signs in a sketch/ map and locate place and objects
118	Ch - 22 Left - Right	ACTIVITY - Symbols and Sign	Draw / make their own signs and symbols and use a key to describe them in a sketch/ map
119	Ch - 22 Left - Right	Revision / Oral Test / Class test	to Recall & revise about the learned topics
120	Ch - 23 A Beautiful Cloth	Variety in cloths	Recognize the differences in clothes with reference to their texture, colour and design.

EVS - GRADE 3

DAYS	TOPIC	SUB TOPIC	LEARNING OBJECTIVE
121	Ch - 23 A Beautiful Cloth	Variety in cloths	Visualize various uses of a particular cloth or material
122	Ch - 23 A Beautiful Cloth	Weaving	Explain technique of weaving and demonstrate it using paper strips
123	Ch - 23 A Beautiful Cloth	Printing on cloth	Gain knowledge of different techniques used to make different patterns on clothes
124	Ch - 23 A Beautiful Cloth	ACTIVITY - Printing on cloth	Develop skills of vegetable printing and other traditional arts to create different patterns
125	Ch - 23 A Beautiful Cloth	Revision / Oral Test / Class test	to Recall & revise about the learned topics
126	Ch - 24 Web of Life	Interdependence between living and non-living things in nature	Appreciate the interdependence of organisms on each other and things
127	Ch - 24 Web of Life	Interdependence between living and non-living things in nature	Identify various things they need in life to live
128	Ch - 24 Web of Life	Interdependence between living and non-living things in nature	Recognize food chain and food web existing in nature & Realize the need to protect nature for existence of
129	Ch - 24 Web of Life	ACTIVITY - To draw the food chain	To know about the interdependence of organisms on each other and things
130	Ch - 24 Web of Life	Revision / Oral Test / Class test	to Recall & revise about the learned topics
